## Efficient Module

**36pieces**

Poly-crystalline Module

**90 - 105W**

**140 -155W**

Output Power Range

**25 year**

Power warranty

**0~+5W**

Power Tolerance

International certification

Guaranteed power output  
 -3~+3%

Module can bear snow loads up to  
 5400Pa and wind loads up to 2400Pa

High performance under low light  
 conditions Cloudy days, mornings  
 and evenings

Manufactured according to  
 International Quality  
 and Environment Management System  
 ISO9001, ISO14001

As a leading global manufacturer of next generation photovoltaic products, we believe close cooperation with our partners is critical to success. With local presence around the globe, GW Solar is able to provide exceptional service to each customer in each market and supplement our innovative, reliable products with the backing of GW Solar as a strong, bankable partner. We are committed to building strategic, mutually beneficial collaboration with installers, developers, distributors and other partners as the backbone of our shared success in driving Smart Energy Together.
